ABOUT ME

I am a **WordPress & Front-end** Developer, and I am Looking for a **Mid level Position**.

I worked as a freelance before join Boomerang Digital IT firm.

Most of my project have completed in **WordPress**. I like to provide maximum Flexibility to my client.

I like to work with New Technologies like **NodeJS, PWA, Real Time Web App** but haven't got any opportunity yet.

I am a quick and passionate learner. I like to learn new language, technology, and framework.

WORKING EXPERIENCE

2017 Apr – Current **Boomerang Digital**
Full Stack WordPress Developer
Develop and troubleshoot WordPress Website

CODING SKILL IN PROGRAMING
